Here's a filly that has plenty of "fancy". Steele gray with black points, she is sure to turn heads in the show pen or on the ranch. Fancy is a granddaughter of the athletically powerful Mr. Illuminator who has sired champion performance horses like Jill Moody's "Dolly" with was 2nd in the WPRA World standings in 2008. This baby has all the potential to be successful doing the job she was bred to do and more. Confirmationally, after the work is done, this filly will settle down to be the type of broodmare that anyone would be proud to own. "Fancy" has been handled every day of her life, enjoys people, and has the type of personality that is a pleasure to be around. This type of good looking filly doesn't come around every day...help yourself!

He was a son of Radical Rodder, and the good Scotch Bar Time mare Badgers Bar Time, who earned 86 performance and halter points, and produced 2 superior performance horses. Linda Ronstack earned 235 points, in open, amateur, youth and novice youth, and also earned almost \$5000 in earnings. She is the full sister to Staccarodan, 2007 points, AQHYA High Point Western Riding champion. She has 4 performance horses in the show pen at the present time. Mesabis Misty had 10 performing foals. Don't Give Me No Zip is a Son of Snazzy Zippo, Top 10 World and 150 points. I Better Be Good is a producer, and is by AQHA Champion and Superior Pleasure horse Major Tyler Moore. She is out of Peachy Doll, Superior Pleasure Amateur and Open. I don't think there are any holes in this filly's pedigree. Happy Hour has been super quiet, and is one sweet looper. Very correct to go on in performance halter classes. She is PAID UP in the AQHA Incentive Fund, and is NSBA eligible. She has a terrific future ahead of her in AQHA events.

We are very proud to offer this exceptional black and white paint filly. She has a beautiful head with a nice long neck and huge body. Both her sire and dam are 15'3H and weigh over 1300 pounds, so she will definitely have size as well as being very athletic. Her black sire boasts many greats starting with Sonnys Courtney (19 halter points) by Sonny Dee Bar (62 halter and 10 performance) and her dam is out of a granddaughter of Billy (superior halter, cutting and reining points) who is by the national champion, Versary Bars (146 halter, 2 cutting, 1 racing, 10 reining, 45 WP). She could definitely be a contender for the 2011 futurity.

If you are looking for a big strong colt that will run hard and stop fast, here's the one to fill your order. This golden palomino stud colt by PC Sun Dasher is a grandson of the great Sun Frost whose progeny have earned over 2 million dollars! Take a look at the hip on this colt, he was bred to perform and conformationally he will not disappoint you. This colt stands on good bone, with muscle that ties deep into his knees and hocks. This is the type of young horse that will be easy to start and willing to perform. "Frosty" has been handled extensively and has a natural curiosity that is truly charming. Take a good look at this yellow colt, he is sure to be a winner down the road.
